1988 Sport and Recreation Resource Guide

Alberta
RECREATION AND PARKS

INTRODUCTION

Alberta Recreation and Parks is pleased to provide this Sport and Recreation Resource Guide. It has been developed in order to improve the communication and coordination among sport and recreation organizations and agencies.

This guide attempts to identify the major organizations that provide programs and services to the sport and recreation community in Alberta. It is hoped that this document will assist associations and interested individuals in the utilization of available programs and services.

Appreciation is extended to all organizations and agencies who have taken the time to supply information to be included in this guide. Without their contribution this project would not have been possible. Special acknowledgement is given to the Sports Federation of Canada for information on national programs and organizations.

The compilation of information is accurate at the time of printing. However, due to a constantly changing sports scene, some details of the material are subject to change.

MINISTRY OF RECREATION AND PARKS

The Ministry of Alberta Recreation and Parks is responsible for the development of recreation and parks in Alberta. The mission of this Ministry is:

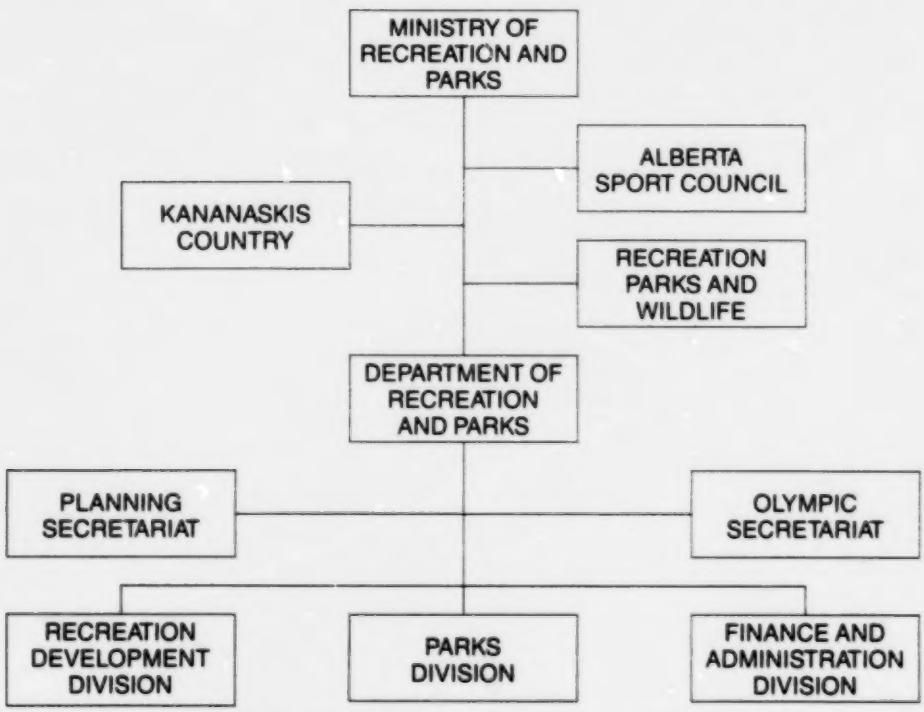
> To enhance the individual and social well-being of Albertans and the economy of Alberta by providing and encouraging the provision of recreation opportunities and participating in a provincial system for the protection and appreciation of the natural, historical and cultural resources of the province.

In order to fulfill this mission and to effectively meet the needs of Albertans, the Ministry of Recreation and Parks includes two crown corporations, two secretariats, and the three department divisions.

The Alberta Sport Council and Recreation, Parks and Wildlife Foundation are the two crown corporations within the Ministry. These two agencies directly assist in enriching recreation and sport opportunities for Albertans. The Recreation, Parks and Wildlife Foundation supports recreation development while the Alberta Sport Council enhances sport development in the province.

The two secretariats within this Ministry are the Planning Secretariat and the Olympic Secretariat. The three department divisions include Recreation Development, Parks, and Finance and Administration. The Recreation Development Division is specifically responsible for the promotion of sport and recreation in Alberta.

Kananaskis Country is also under the jurisdiction of the Minister of Alberta Recreation and Parks.



MINISTRY OF ALBERTA RECREATION AND PARKS

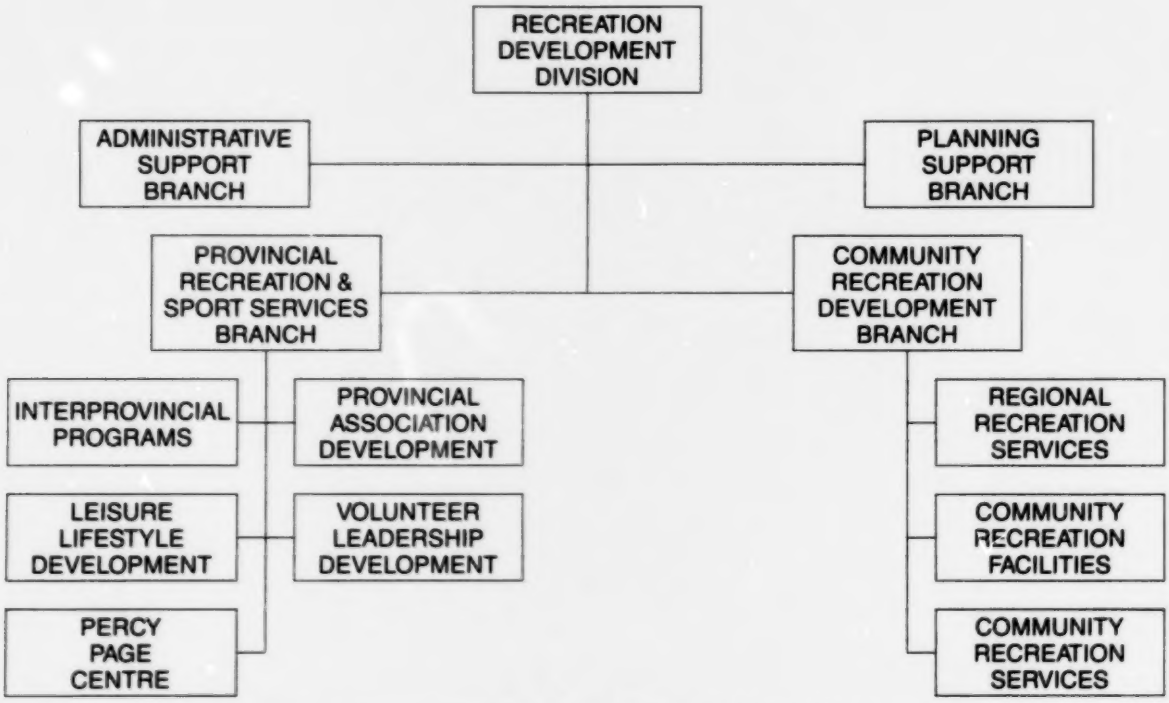
The remainder of this section examines the programs and services available to provincial sport and recreation associations through the Recreation Development Division, the Recreation, Parks and Wildlife Foundation, and the Alberta Sport Council.

RECREATION DEVELOPMENT DIVISION

The Recreation Development Division of Alberta Recreation and Parks encourages and supports the development of recreation and sport opportunities for all Albertans. The services and programs of the division are grouped into the following categories:

a) those which support the municipal recreation infrastructure and, through it, enhance community based recreation services and programs, and
b) those which support the provincial recreation and sport system through the development of provincial recreation and sport agencies and associations, and the support of interprovincial and international programs.

In order to effectively provide these programs and services, the division is comprised of the Provincial Recreation and Sport Services Branch, the Community Recreation Services Branch, the Planning Support Branch and the Administrative Support Branch.



BRANCHES AND SECTIONS OF THE RECREATION DEVELOPMENT DIVISION

Sport and recreation activities relating to provincial sport and recreation associations or having interprovincial or international significance are managed by the Provincial Recreation and Sport Services Branch. Municipal and community oriented activities of the division are managed by the Community Recreation Branch.

A further examination of these two branches will outline the services available to sport and recreation associations.

PROVINCIAL RECREATION AND SPORT SERVICES BRANCH

The functions of the Provincial Recreation and Sport Services Branch are to: facilitate the delivery of a full spectrum of recreation and sport services at the provincial level, and to act as a facilitator to the provincial recreation and sport system. This includes facilitative services for provincial association infrastructure, associated club development, and related professional and volunteer development. The branch also supports leisure education, lifestyle enhancement, and interprovincial relationships with the goal of increasing Albertans' accessibility to participation in recreation/sport environment.

The branch is made up of the following five sections:

1. Interprovincial Programs Section
2. Leisure Lifestyle Development Section
3. Percy Page Centre Section
4. Provincial Association Development Section
5. Volunteer Leadership Development Section

These sections provide programs and services to a wide variety of groups. However, for the purpose of this guide only those programs and services which primarily apply to sport and recreation organizations are listed.

THE FIVE SECTIONS OF THE PROVINCIAL RECREATION AND SPORT SERVICES BRANCH.

INTERPROVINCIAL PROGRAMS SECTION

This section develops, co-ordinates and implements recreation and sport projects of an interprovincial, national and international focus.

Programs and Services

1. International Sport Exchanges

   Planned opportunities for the advancement of provincial sport and recreation development are provided through the international sport exchange program. Alberta is twinned with Kangwon, Korea; Hokkaido, Japan; and Heilongjiang, China. Exchanges include coaches, officials and athletes.

2. National, Regional and Provincial Training Centres

   The federal government encourages the identification of regional and national sport training centres in Alberta. This responsibility is shared with the institutions and agencies that are able to provide these centres. Financial assistance for this program is made available by the Alberta Sport Council.

3. Hosting Major National and International Games in Alberta

   Financial assistance and consultation is available to organizations responsible for hosting national and international sport championships and conferences within Alberta.

4. Team Preparation and Selection for Major Games

   Plans for Alberta's participation in Jeux du Canada Games, Western Canada Games, Arctic Winter Games, and other major games are prepared and implemented providing for the best experience and highest performance possible for the participants. The program is the responsibility of the Recreation Development Division with support by the Alberta Sport Council.

COMMUNITY RECREATION DEVELOPMENT BRANCH

The Community Recreation Development Branch encourages and supports the provision of a full spectrum of recreation and sport services at the community level by acting as a facilitator and enabler to the municipal recreation system. The branch also works closely with municipal authorities in the development of new policies that will enhance community-based recreation systems.

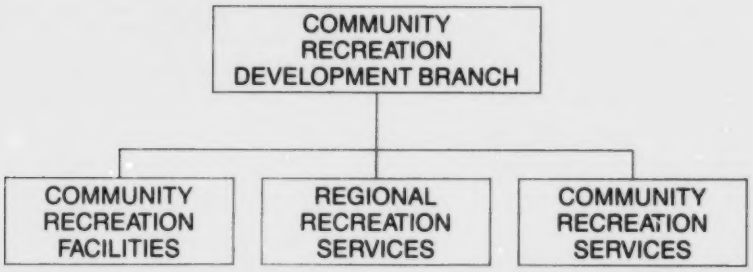
The branch provides assistance to municipal authorities, community organizations and the private sector for the development and operation of indoor and outdoor facilities and open space in Alberta communities.

The Community Recreation Development Branch administers a variety of financial assistance programs directed to help in the development of facilities and programs which increase and improve recreation opportunities for Albertans at the community level.

The Community Recreation Development Branch produces a regular publication, **Recreation News**, which is mailed to interested parties throughout the province. This publication provides notices of upcoming events, new programs and other activities relevant to the provision of municipal recreation services.

The Community Recreation Development Branch is composed of the following three sections:

1. Regional Recreation Services
2. Community Recreation Facilities
3. Community Recreation Services



THE THREE SECTIONS OF THE COMMUNITY RECREATION DEVELOPMENT BRANCH

REGIONAL RECREATION SERVICES SECTION

The Regional Recreation Services Section facilitates and promotes the development of effective community recreation systems in Alberta communities through the management and delivery of consultations, programs, workshops and resource materials. Consultation and assistance is provided through the section to municipal councils, recreation boards, and staff on policy development, organization development, planning, by-law development, marketing, program implementation and evaluation, leadership training, and financial management. The Regional Recreation Services Section also sponsors the annual Provincial Recreation Workshop (Energize) for municipal councillors and recreation board members.

Programs and Services

1. Community Recreation/Cultural Grant Program

b) the development or maintenance of parks; and

c) the management, conservation or preservation of fish and wildlife.

With these donations and a portion of the profits generated by Alberta lotteries, the Foundation is also able to grant funds to provincial recreation, park and wildlife associations in order to enrich current programs and create new and innovative projects.

Programs and Services

The Recreation, Parks and Wildlife Foundation provides a variety of programs and services to provincial recreation associations.

1. Leadership Enrichment

   This program provides support for the development of the current leadership base of recognized provincial recreation, parks and wildlife associations.

2. Association Technical and Program Staff

   This program assists recognized provincial recreation, parks and wildlife associations to hire technical or program staff to serve as experts for the advancement of association activities. Support staff provide the necessary administrative structure for the overall advancement of the association.

3. Manual and Technical Material Development

   This program supports the preparation of research documents, surveys, studies and materials for public use. This resource material provides specific information on topics currently needed to further the development of the provincial recreation, parks and wildlife associations.

4. Activity Outreach

   This program assists in the development of recreation, parks and wildlife opportunities and activities in those parts of rural Alberta where the need exists.

5. Participation Enrichment

   This program provides enrichment funding to individuals and groups who wish to participate in major events, conferences, and seminars.

6. Program to Support Projects of Regional and Local Significance

   This program provides financial support to a broad range of interests in Alberta for the conduct of significant recreation, parks and wildlife projects on a regional and local basis.

In addition to these six programs the Foundation accepts applications on a quarterly basis for projects which are creative, innovative, and complement rather than duplicate existing programs or services. These projects must reflect the objectives of the Foundation.

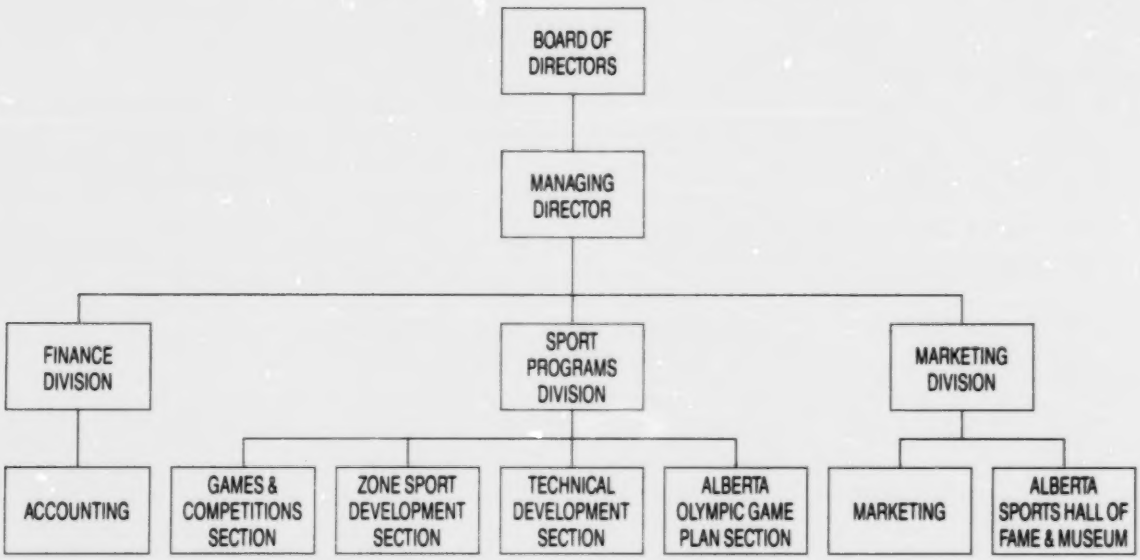
ALBERTA SPORT COUNCIL

The Alberta Sport Council is a Crown Corporation that focuses on the general advancement of sport in Alberta. The Council addresses the needs of the developing athlete in the pursuit of excellence and provides selected services to sport participants at all levels of compentency.

Although provincial sport associations are considered the major target markets of the Council, there are many instances where the Council will work directly with municipalities, education institutions, sport related agencies and local clubs. The Alberta Sport Council is responsible for co-sponsoring or jointly undertaking the hosting of major games, competitions, clinics, workshops and programs.

The Alberta Sport Council is comprised of three divisions: Sport Marketing, Finance, and Sport Programs. The Sport Programs Division is divided into four sections: Technical Development, Alberta Olympic Game Plan, Games and Competitions, and Zone Sport Development.

ALBERTA SPORT COUNCIL ORGANIZATIONAL CHART



SPORT MARKETING DIVISION

One of the most innovative of the Alberta Sport Council's endeavours, the Sport Marketing Program reflects a strategic priority of the organization. This priority is the creation of a stable and diverse financial base for Alberta sport through the active marketing of amateur sport programs to the private and corporate sectors. Under this program, the Alberta Sport Council will develop specific initiatives aimed at corporate sponsors.

Additionally, the Sport Marketing Division negotiates with various media to ensure that a positive image of all sport in Alberta is being projected to the populace at large.

Programs and Services

Programs and services are available for teams, clubs and interested individuals.

1. Sport Hall of Fame and Museum

   The Alberta Sport Council provides support in the development of a Sport Hall of Fame and Museum which will recognize the Sport contributions of Albertans and preserve Alberta's sport history.

2. Adopt-an-Athlete

   This program brings the corporate and private sectors together with the developing athlete in a mutually beneficial partnership.

3. Alberta Sport Report

   The Alberta Sport Council publishes an exciting quarterly magazine devoted entirely to Alberta amateur sport. It includes news and feature stories, competitive results and a schedule of upcoming events.

4. Alberta Sport Van

   The Sport Van is a travelling sports show on wheels. It features Olympic sport equipment, graphic displays, an audio-visual slide show, informative sport materials and experienced personnel who can educate and motivate Albertans about sport in Alberta.

FINANCE DIVISION

The Finance Division is responsible for managing the financial affairs of the Alberta Sport Council. In addition to the maintenance of internal financial control, the Finance Division is also available to provide advice on financial management to provincial sport associations.

Specific programs administered by the Finance Division include the following:

1. Sportsfund Donations Program

   A donations program has been established which will provide tax deductible status for cash contributions to amateur sport in Alberta.

2. Sport Accident Insurance Program

   A comprehensive sport accident insurance plan is available to provincial sport associations and their affiliated members. This plan provides limited benefits to injured sport participants.

3. Sport Liability Insurance Program

   The sport liability insurance program provides comprehensive general liability, third party liability, non-owned vehicle insurance and tenants' liability insurance coverage.

SPORT PROGRAMS DIVISION

The Sport Programs Division is responsible for the management and administration of the four sections which comprise this division.

Technical Development Section

The Technical Development Section is involved with the development of technical programs and services for coaches, officials and developing athletes in Alberta. This section provides financial and consultative services to a wide range of sport groups in the following areas:

- Developing leadership expertise.
- Increasing participation opportunity.
- Promoting participation excellence.

Programs

1. Talent Identification

   This program encourages provincial sport associations to engage in the active identification of athletes who display the greatest potential for excellence in their sport. In many situations, this program follows up on the Sport Outreach Program and subsequently leads into the program for training high performance athletes.

2. Training High Performance Athletes

   The Alberta Sport Council provides assistance to provincial sport associations to develop and implement ongoing training programs for their high performance athletes.

3. Alberta Athlete Development Program (A.A.D.P.)

   The Alberta Sport Council provides financial support to assist high performance athletes in achieving national ranking.

4. Western Canadian and Canadian Championships

   Funding is provided through provincial sport associations to assist individuals/teams/clubs with their participation in sanctioned Western Canadian and Canadian Championships.

5. Professional Technical Staff

   Support is provided to hire technically qualified individuals to serve as technical experts (i.e., technical director, program coordinator) for the advancement of the particular sport association's activities.

6. National Coaching Certification Program (N.C.C.P.)

   Through this national program, the expertise of Alberta's coaches continues to be developed. The Alberta Sport Council is responsible for supporting provincial sport associations with the technical and practical components of this program. The theory component of this program is the responsibility of the Volunteer Leadership Development Section of Alberta Recreation and Parks.

7. Coaching Clinics

   This program provides coaches with special coaching opportunities in addition to the N.C.C.P. and Master Coach and Officials Program.

8. Officials Clinic

   Conducted throughout the province, these clinics provide upgrading and refresher opportunities for umpires, referees, judges and other officials.

9. Master Coach and Official Program

   This program is designed to promote and develop excellence in coaching and officiating by bringing renowned coaches and officials to Alberta and helping Alberta coaches and officials to attend workshops and clinics at the national and international level.

10. Sport Outreach

    Sport Outreach supports sport development at the local and regional level by offering clinics, camps and scholarships. Instructors travel throughout the province providing instruction to potential and practising athletes.

11. Innovative Projects (Provincial)

    This program provides support for selected sport development activities at the provincial level. It also responds to the emergent needs or situations of the Provincial Sport Associations.

12. Sport Training Centers

    This program supports Provincial Sport Associations and contributing partners with the establishment of training centers in Alberta.

13. Local Sport Development Projects

    Funding is available to support selected areas of sport development at the local level. Examples of funding may include increased competitive training opportunities, and specialized sport equipment.

Alberta Olympic Game Plan Section

Between April 1, 1984 and March 31, 1988, the Alberta Olympic Game Plan Section provided enrichment dollars to the 10 Olympic Winter Sports to maximize the representation of Albertans on the 1988 Canada Olympic Team. Alberta Olympic Game Plan Section also administered programs that successfully increased the awareness and participation for hundreds of thousands of Albertans, at all levels, in the 10 Olympic Winter Sports.

As of April 1, 1988, Alberta Olympic Game Plan Section will manage all direct athlete assistance programs and administer the existing Alberta Athlete Development Program. It will also be responsible for the development of a program that will provide financial assistance beyond the Alberta Athlete Development Program for athletes aspiring to national and international standards in Olympic or non-Olympic sports.

The Alberta Olympic Game Plan Section would also perform the following roles:

a) liaise with the national sport governing bodies and Sport Canada on matters pertaining to the program aspects of athlete assistance;
b) serves as the Alberta Sport Council's liaison with the Calgary Olympic Development Association and the Canadian Olympic Association;
c) provide special opportunities for Alberta's national and international athletes. (e.g., Olympic Development Camps, Alberta's Speakers' Bureau, "Investment in Excellence" seminars, etc.);
d) assist with the promotion of all Alberta Sport Council programs.

Games and Competitions Section

The Games and Competitions Section provides support to municipalities in the financing and organization of athletic events for developing athletes in Alberta. These events include:

Alberta Summer & Winter Games

Athletes, coaches, officials, and volunteers are involved every year in the Alberta Games movement, lending their particular skills at the local, regional and provincial levels. Every odd numbered year the Summer Games are held, and every even numbered year the Winer Games are held. The host communities for these Games are selected following extensive qualifying activity.

Alberta Seniors Games

Every even numbered year, during the summer months, the Alberta Sport Council supports this uniquely competitive event. The host community stages both sporting and cultural activities which are open to seniors from any part of the province. The host community for each Seniors Games is selected following extensive qualifying activity.

PROVINCIAL GOVERNMENT DEPARTMENTS AND SUPPORT AGENCIES

Alberta Recreation and Parks is the provincial government department that is directly responsible for the recreation and sport delivery system in Alberta. While the majority of programs and services for sport and recreation associations are provided through Alberta Recreation and Parks, a number of other provincial government agencies also offer services to these associations. The following is a description of six provincial government departments and agencies that assist the recreation and sport community in Alberta.

ALBERTA ADVANCED EDUCATION

Alberta Heritage Scholarship Fund

The Alberta Heritage Scholarship Fund provides a variety of scholarships to reward and encourage those people who have attained exceptionally high standings in the arts, sciences and humanities, in their careers, recreational and athletic activities, as well as at the high school, undergraduate and graduate levels.

Each scholarship is named after an historically prominent Albertan who has made a significant contribution to the development of the province. Two of these scholarship programs are specific to athletics and recreation. These are the Jimmie Condon Athletic Scholarships and the J. Percy Page Recreation Awards. The following is a brief description of each of these scholarship programs.

1. Jimmie Condon Athletic Scholarships

   The Jimmie Condon Athletic Athletic Scholarships acknowledge excellence by rewarding athletes at Alberta universities, colleges and technical institutions. These scholarships provide recognition of the sustained commitment required at this level of athletic competition and encourage students to continue their academic studies.

   To be eligible, students must be:

   a) members of a designated inter-university, college or technical institute team; or,

   b) members of a provincial disabled athlete team recognized under the Alberta Athlete Development Program, or

   c) members of a non-designated team or participants in individual sports recognized under the Alberta Athlete Development Program.

   Students must be Alberta residents, attending full-time, achieving a satisfactory academic standing, and maintaining a practice and training program acceptable to their coach.

   Designated sports are those which, as a minimum, involve six games or competitions leading to a national championship. At the university level, this includes the following: basketball, field hockey, football, gymnastics, ice hockey, soccer, swimming and diving, track and field (including cross country), volleyball and wrestling.

   At colleges and technical institutes, the designated sports are: basketball, volleyball, ice hockey and badminton.

   Awards will be given only to those students attending institutions in Alberta.

2. J. Percy Page Recreation Awards

   The J. Percy Page Recreation Awards foster recreational leadership in Alberta communities by assisting outstanding amateur coaches, officials and other dedicated volunteers to further their training anywhere in the world.

   The awards, to a maximum of $3,000, will assist in the payment of direct expenses for part-time and short-term study or attendance at conferences and workshops.

   Individual applicants must be Alberta residents, endorsed by their local recreation board or recognized provincial sport or recreation association; enrolled or plan to enroll in part-time or short-term full-time study, or plan to attend a conference or workshop related to recreation.

   In addition, Alberta agencies, institutions or associations involved in providing recreational programs may apply for funds to assist in providing recognized resource personnel to conduct recreational training seminars and workshops.

ALBERTA CAREER DEVELOPMENT AND EMPLOYMENT

Alberta Career Development and Employment offers a variety of job creation and training programs to organizations interested in hiring staff on a temporary basis. Programs generally operate on a cost shared or department subsidized basis. Programs which may be of interest to sport and recreation associations include the following:

1. Alberta Youth Employment and Training Program
   - Post Secondary Internship and Training
   - Youth Work Experience and Training
2. Priority Employment Program (PEP)
3. Alberta Environment Employment Program
4. Summer Temporary Employment Program (STEP)

ALBERTA CONSUMER AND CORPORATE AFFAIRS

Corporate Registry

Sport and Recreation Associations that are recognized by Alberta Recreation and Parks must be incorporated by Corporate Registry of Alberta Consumer and Corporate Affairs. Once incorporated, all associations must operate in accordance with the provisions set out in the Societies Act. Failure to carry out certain responsibilities could result in both removal from Corporate Registry active records and loss of recognition and funding by Alberta Recreation and Parks.

In order to maintain status as a registered society, the following guidelines should be adhered to:

1. Annual General Meetings

   Societies must hold annual general meetings in Alberta and must present at that meeting a financial statement setting out the society's income, disbursements, assets and liabilities. The financial statement must be audited and signed by the society's auditor. (See Section 21 of the Societies Act.)

2. Filing of Annual Returns

   Every year, before the lst day of the month following its anniversary month, a society must send a completed Annual Return to Corporate Registry.

   The annual return must have attached to it a list of the directors and/or officers of the society. This list must include the directors' and officers' full names, their positions, and their mailing addresses including postal codes.

   Also, the audited financial statement presented to society members at the last annual meeting must be attached to the annual return. Societies may find it convenient to set a date for the annual meeting which is before the date the annual return is due and after the end of the society's fiscal year. This will allow enough time to have the audited financial statement completed for presentation at the annual meeting, and subsequently filed at Corporate Registry.

   To assist the society, Corporate Registry will send out a preprinted annual return to the registered office every year before the society's anniversary month. If for some reason the form is not received, or if it has been misplaced, the society should contact Corporate Registry before the annual return is due.

   IT IS THE RESPONSIBILITY OF THE SOCIETY TO FILE AN ANNUAL RETURN EVERY YEAR. (See Section 22 of the Societies Act.)

3. Register of Members

   A society must keep a list of its members, together with the following particulars of each:

   - full name and home address;
   - the date on which they became a member;
   - the date on which they ceased being a member;
   - the class of membership, if any, to which they belong.

   This list must be kept at the society's registered office and made available to members on demand.

ALBERTA CULTURE AND MULTICULTURALISM

Alberta Culture and Multiculturalism administers the Alberta Achievement Awards Program. This program honours individual Albertans and groups who have, through education, sports, the arts, humanities, sciences, agriculture or in some way, made extraordinary contributions to the enrichment of life in Alberta. Alberta Recreation and Parks in co-operation with Alberta Culture and Multiculturalism participates in reviewing and making recommendations on all nominations regarding sport and recreation. The deadline for nominations for these awards is November 15th of each year.

Alberta Achievement Awards

1. Performance Awards

   Performance awards are for individuals or teams who have placed first in the open class of a sanctioned Canadian Championship; or first, second or third in the open class of a sanctioned International Championship where the Canadian or World Champion is declared in a given field.

2. Service Awards

   Service awards are given to individuals who have been noted for exceptional service normally extending over a period of 10 years or more, and having broad impact of national, provincial or wide regional significance. This service will have been performed in a voluntary capacity.

3. Excellence Awards

   The awards are presented to individuals who have been noted for exceptional contributions or achievements in a professional or occupational capacity at provincial, national or international levels.

ALBERTA GAMING COMMISSION

The Alberta Gaming Commission is the provincial authority for the licensing of bingos, casinos, raffles and pull tickets. Only charitable or religious organizations may be licensed to conduct these activties and only if the proceeds are to be used for charitable or religious purposes.

Each license application is considered on its own merit based on the following general guidelines.

1. Nature of Organization
   - must exist primarily for public service or community benefit.
2. Membership and Activities
   - membership must be voluntary and the executive must be chosen from the voluntary base;
   - activities should benefit the community at large.
3. Structure of the Organization
   - must be a non-profit organization.

To apply for a license, a completed application form must be submitted to the Commission.

SECTION 3

Provincial Sport and Recreation Associations

Alberta

PROVINCIAL SPORT AND RECREATION ASSOCIATIONS

Provincial Sport and Recreation Associations are involved in the direct delivery of programs to any organizations or individuals of a (single) sport or recreational activity. In most of these programs, manuals or written material are available. To determine the exact programs and materials offered by individual associations refer to the list of contact addresses and telephone numbers that follow.

SPORT ASSOCIATIONS

The following is a listing of the range of programs offered by the provincial sport associations recognized by Alberta Recreation and Parks.

1. Pre-Certification Courses

   These courses cover introductory technical information on sport activities and are lead up courses for the National Coaching Certification Program (N.C.C.P.) technical courses.

2. Technical Courses (N.C.C.P.)

   These courses deal with the technical aspects of the sport activity.

   a) Coaching Courses — are designed to increase the technical knowledge of coaches.

   b) Instructor Courses — are designed to train persons involved in the teaching of introductory skill courses.

   c) Course Conductor Courses — are designed to train persons involved in teaching instructor courses.

3. Coaching Clinics

   These clinics assist those coaches involved in sport activities that are currently not part of the National Coaching Certification Program (N.C.C.P.).

4. Official Clinics

   These clinics and workshops are for umpires, referees, judges and other officials involved in a specific sport.

5. Master Coach and Official Program

   This program brings experienced coaches and officials to Alberta and/or sends leading Alberta coaches and officials to workshops and clinics outside Alberta.

6. Introductory Skill Courses

   These courses are designed to introduce basic skills to new individuals learning the activity and to improve the skills of individuals alrady exposed to the sport activity.

7. Sport Outreach

   This program includes the staging of exposure clinics, upgrading clinics and residential camps in parts of rural Albera where the need exists.

8. Public Education Programs

   These programs are designed to make the general public aware of programs, services and materials available from provincial sport or recreation associations.

9. Talent Identification

   This program involves the identification of athletes who display the greatest potential for excellence in their sport. The identification of athletes is done through the establishment of tests and standards.

10. Training of High Performance Athletes

    Certain sport associations provide support for athletes training and competition. As well, support may be provided for the coaches and trainers of these athletes.

11. Athlete Development Program

    Certain sport associations provide support to their high performance athletes so they can achieve national ranking.

12. Athlete Clinics and Camps

    Certain sport associations offer advance level clinics and camps aimed at upgrading athlete skill and expertise. These camps are designed to assist athletes in reaching higher levels of competition.

13. Sport Training Centres

    Certain sport associations are involved in establishing national, regional and provincial training centers in Alberta.

14. Competition Programs

    Sport associations provide competitions in their sport at the regional, provincial, national and international level.

15. Program Materials

    A wide range of materials are provided by most provincial sport associations. This includes rule books, tournament guides, equipment and facility standards, newsletters and instructors, coaches and officials manuals.

RECREATION ASSOCIATIONS

The following is a listing of the range of programs offered by the Provincial Recreation Associations recognized by Alberta Recreation and Parks:

1. Officials Clinics

   These clinics and workshops are for judges and other officials involved in a specific recreation activity.

2. Instructor Training Clinics

   These clinics are aimed at upgrading the skills of individuals involved in instructing recreational activites.

3. Public Education Programs

   Public education programs are designed to make the general public aware of the programs, services and materials available from the provincial recreation associations.

4. Technical Training Courses

   These courses, which deal with the technical aspects of the recreation activity, are offered at the instructor and course conductor level.

5. Recreation Programs

   As part of the Association's services, recreation programs are run for association members or the general public.

6. Outreach Programs

   This program is intended to introduce and develop recreation opportunities and activities in parts of rural Alberta where the need exists.

7. Competition Programs

   Some recreation associations provide competition in their activity at the regional, provincial, national and international level.

8. Program Materials

   A wide range of materials including rule books, tournament guides, newsletters and officials manuals are provided by most provincial Recreation Associations.

FEDERAL GOVERNMENT DEPARTMENTS AND SPONSORED AGENCIES

A number of federal government departments and sponsored agencies specifically cater to the needs of the national sport and recreation associations. However, several of these programs and services may also be accessed by provincial associations.

FEDERAL GOVERNMENT DEPARTMENTS

Fitness and Amateur Sport

The federal government's Fitness and Amateur Sport Program has a dual mandate: a commitment to amateur sport excellence, and the enrichment of the lifestyles of Canadians of all ages and skill levels through physical activity. Meeting these goals requires balancing the needs of its specific clientele, such as national sport and fitness-oriented organizations, with the long-range concerns of the Canadian people.

The objectives of Fitness and Amateur Sport are best met through the operations of two divisions, these being Fitness Canada and Sport Canada.

Fitness Canada

Fitness Canada is a division of Fitness and Amateur Sport of the Government of Canada. Fitness Canada promotes physical activity in Canada through its financial contributions, through consultative services and through its own innovative programs to support leadership development and encourage participation. The three major objectives of Fitness Canada are:

- to increase the motivation of Canadians to engage in physical activity leading toward fitness and a healthy lifestyle;
- to improve the general environment, organization and program delivery systems for physical activity in Canada;
- to increase the availability and accessibility of quality programs which facilitate increased participation.

Programs and Services

1. Organization Support
2. Fitness Research
3. Fitness Leadership/Fitness Appraisal
4. Professional Development Practicum

Sport Canada

Sport Canada is a division of Fitness and Amateur Sport of the Government of Canada. Sport Canada endeavours to coordinate the activities of the National Sport Organizations to ensure an integrated system for general participation and high performance sport in Canada. The four major objectives of Sport Canada are:

- to coordinate, promote and develop high performance sport in Canada;
- to assist in the development of domestic sport in those areas requiring coordination at the national level;
- to provide administrative and technical leadership, policy direction, consultative services and financial resources for the development of an effective sport delivery system at the national level;
- to develop federal government sport policies.

Programs and Services

1. Financial Assistance
2. Consultative Services
3. Athlete Assistance

REVENUE CANADA

If an organization conforms to certain requirements it may be issued a "number" by Revenue Canada Taxation signifying that it is registered as a charity for income tax purposes.

Once registered an organization can issue receipts for donations which may be deducted from the donor's income for tax purposes. Registration also exempts an organization from paying tax on income under Part I of the Income Tax Act.

Registration is granted if an organization's objectives, activities or proposed activities are considered charitable. Charitable activities are grouped into the following categories:

- the relief of poverty;
- the advancement of religion;
- advancement of education;
- other purposes beneficial to the community as a whole in a way the law regards as charitable.

Sport and recreation associations are eligible to apply for a charitable "number" should their objectives fall into one or more of the above outlined categories.

INTERNATIONAL GAMES

ARCTIC WINTER GAMES

The Arctic Winter Games are staged every two years in northern communities and bring together athletes from the Yukon, Northwest Territories, Northern Alberta and the State of Alaska. Alberta was involved on an experimental basis in 1986.

The Arctic Winter Games are intended to be a common ground for developing northern athletes and for promoting cultural and social interchange among northern regions of the continent. The achievement of individual excellence in athletics, while a desirable result of the competitions, is not a primary motive. The fundamental purpose of the Games is to encourage mass participation by all ages, cultures and walks of life in athletic activies and cultural events. The athletic activities which Alberta participates in include basketball, curling, hockey and indoor soccer.

The 1988 Arctic Winter Games will be held March 13 - 20 in Fairbanks, Alaska.

THE COMMONWEALTH GAMES

The Commonwealth Games Federation, based in London, England, is the governing authority for the Games. The Federation establishes rules and regulations, and awards Games to host cities. All members of the Commonwealth may take part in the 'Friendly Games', as they are called. Present rules provide for the following disciplines to be on the program

Two compulsory sports — athletics and swimming and diving; and eight others chosen by the host country from:

Category A sports — badminton, bowls, boxing, cycling, judo, shooting, table tennis, weightlifting and wrestling.

Category B sports not included in previous games — archery, canoeing, fencing, gymnastics, rowing and yachting.

Category B sports are carried on in fewer parts of the Commonwealth than Category A sports.

The purpose of the Games is to promote goodwill and understanding amongst the diverse peoples of the Commonwealth. The cultural activities, which have formed an important element in recent meetings, tend to enhance the understanding between and knowledge of the different peoples of the Commonwealth.

The XIV Commonwealth Games are scheduled to be held in Auckland, New Zealand, February 3 - 12, 1990.

OLYMPIC GAMES

The Olympic Games are held on a quadrennial basis, with Summer and Winter Games occurring in the same year. They provide competitive opportunities for the world's elite athletes.

1. **Canadian Olympic Association**

   The Canadian Olympic Association (C.O.A.) is Canada's National Olympic Committee. It has overseen Canada's participation in the Olympic movement and in the Olympic Games since 1904. Membership in the C.O.A. is open to all Canadian Olympic and Pan American sport governing bodies.

2. **XV Olympic Winter Games Organizing Committee (OCO '88)**

   The XV Olympic Winter Games Organizing Committee was incorporated in April 1982 for the purpose of planning and staging the 1988 Winter Olympic Games. OCO '88 is the short form of the XV Olympic Winter Games Organizing Committee and is used in correspondence, news releases, speeches and other text material.

   The dates for the XV Olympic Winter Games are February 13 to February 28, 1988. The competitive sports and events at these Games include alpine skiing, biathlon, bobsleigh, cross country skiing, speed skating, figure skating, ice hockey, luge, ski jumping and nordic combined. Demonstration sports and events include curling, short track speed skating and freestyle skiing.

3. **Calgary Olympic Development Association**

   The Calgary Olympic Development Association (C.O.D.A.) is a non-profit organization under the Societies Act of Alberta. It was first formed, to bid to host the 1964 Olympic Games in Banff. After two more unsuccessful bids to host the 1968 and 1972 Games C.O.D.A. submitted the winning bid for 1988 Olympic Winter Games to be held in Calgary.

   In 1982, the XV Olympic Winter Games Organizing Committee (OCO '88) was formed. The organization of the 1988 Olympic Winter Games is the responsibility of OCO '88 and it retains the responsibility until August, 1988. However, to ensure that the legacy of the Games is maintained and that the Olympic facilities continue to be successfully operated and financed for the benefit of amateur sport, CODA has received the mandate as the ongoing Olympic operating authority.

   CODA's major objectives are:

   - to manage the Calgary Olympic legacy;
   - to operate and maintain the Canadian Olympic Park and other facilities deemed necessary for Olympic development;
   - to foster the development of Canadian athletes, world class competitors, and facilities;
   - to adminster the Olympic Endowment Fund;
   - to provide assistance to maintain, promote and expand Olympic facilities;
   - to encourage the formation of sport clubs and to assist in the development of programs to produce a high standard of excellence amongst Canadian athletes, coaches and officials;
   - to encourage and assist Canadian Amateur Athletic Organizations to bid for, promote and stage local, regional, national and international competitions in all Olympic winter sports;
   - to foster Olympic ideals.
